Join us to study the Pillars of Digital Leadership, a framework for all educators to initiate sustainable change to transform school cultures.

Eric Sheninger's work focuses on leading and learning in the digital age as a model for moving schools and districts forward. Leading others to use the Pillars of Digital Leadership has helped Eric to emerge as an innovative leader, best-selling author, and sought-after speaker. His main focus is purposeful integration of technology to facilitate student learning, improve communications with stakeholders, enhance public relations, create a positive brand presence, discover opportunity, transform learning spaces, and help educators grow professionally.

This Summit is being sponsored by TETA and TOSS. CEO and TASL credit will be available. Please make plans now to attend this meaningful Leadership Summit, either as an individual or as a member of a team from your school or district. The cost will be \$120 per person or teams of 3 or more will be \$100 per person.
