

WTETA Meeting April 9, 2019

President Kary Parchman called the meeting to order. Members introduced themselves - 36 members were present. The agenda was presented, with motion to approve by Marla Phillips and second by Marti Owen.

The minutes from the March meeting were approved as read.

Kary Parchman presented the Treasurer's Report. Expenses and deposits were noted and the balance is now \$18,887.45. The report was approved on a motion by Mark Maddox and a second by Dianne Anderson.

The first partner presentation was from ENA on their partner product CatchOn, which monitors usage, programs, and product licenses.

Old Business

Summer Institute is July 10-12, 2019 at Collierville High School. The planning committee updated attendees on the event. The planning committee meets before each WTETA meeting at 9:00 a.m. Everyone is encouraged to attend the meeting. Registration and the Call for Presenters is open. Proposals are due May 1, 2019.

The Call for Presenters for Teacher Day is a separate application. Please tie your presentation to ISTE Standards. Attendees will receive a Certificate of Attendance.

WTETA's May meeting will be on May 14 at 10:00 a.m. The meeting will be held at the University of Memphis, Collierville Campus. Members will tour Collierville High School in the afternoon.

Michael Crewse presented Part 3 of Student Privacy. The google slides are available at <http://bitly.WTETASDP>.

Mike Mizer from Howard Technologies was our second partner presentation. Mike highlighted the AV team and new chromebook models. Mike can be emailed at mmizer@howard.com.

In New Business,

The SSO/Ed-FI login login is not working with Microsoft Edge. Users should use the Chrome browser.

The membership began discussions of ways to use our fund balance.

Mark Maddox, TETA chairman, was present at our meeting. He urged members to contact him if you have questions or comments on TETA.

Next meeting will be May 14 in Collierville, TN.

Our 3rd partner presentation was Brian Allen for Gabbart. Gabbart is a communication product for schools. The product includes websites, mobile apps, Notifications, LMS, and Web Acessibility. Contact Brian at brian@gabbart.com if you have questions about the product.

Motion to adjourn was made Mark Maddox and second by Linda Bales.
